Connecticut's Energy Efficiency Programs are funded by a Charge on Customer energy bills.
The Programs are designed to help customers manage their energy usage and cost.

2010 CONNECTICUT

Residential ENERGY STAR® Ductless Split Heat Pump (DSHP) Rebate Form

EMS9104 REV. 2-10

\$ 1,000 PER ACCOUNT

Requirements: To receive your DSHP rebate for \$1000, the heat pump must be installed in a home or zone which currently is heated by hard-wired, permanent electric resistance heat. The DSHP unit must be AHRI rated and ENERGY STAR® qualified. (14.5 SEER, 12 EER, 10 HSPF)

OR

\$ 500 PER ACCOUNT

Requirements: To receive your DSHP rebate for \$500, the system must be AHRI rated and ENERGY STAR® qualified. (14.5 SEER, 12 EER, 8.2 HSPF)

A list of DSHP units can be found at: www.ceedirectory.org. Please choose Find Variable Mini-Split and Multi-Split Heat Pumps.

You may also qualify for Federal tax credits. Visit www.energystar.gov for more information.

Rebates are capped at one unit per account.

TO RECEIVE YOUR REBATE, PLEASE READ THE PROGRAM REQUIREMENTS ON THE LAST PAGE.

Please fill out this form completely and mail it along with the contractor's invoice (which must itemize the purchased equipment type, make and model numbers as well as the date of purchase) and a copy of a recent electric utility bill. These items must accompany each incentive Application.

Mail the signed rebate form with attached receipts to:

DSHP Program
40 Washington Street, Suite 2000
Westborough, MA 01581

Be sure to make a copy of the rebate form for your records.

TERMS AND CONDITIONS

Application Offer: This program covers products purchased and installed on or after November 1, 2009 through March 1, 2011. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. This Application, with required documentation, must be received by **March 31, 2011**. If you have any questions about the rebate offer dates of eligibility, please call 1-877-WISE-USE for details.

This offer is valid for residential CL&P or UI customers only.

Eligibility: Incentives are available to all CL&P and UI residential electric service customers. Equipment must be installed by a licensed contractor in the service territory of the participating electric utility who has met the following two requirements: Contractor must be certified by the manufacturer for the product being installed AND Contractor must have attended Connecticut Energy Efficiency Fund (CEEF) training seminar. Eligible systems are ENERGY STAR® Ductless Split Heat Pumps. A list of qualifying units can be found at www.ceedirectory.org.

Proof of Purchase: An invoice itemizing the purchased equipment and a copy of a recent electric utility bill must accompany each incentive Application. The contractor's invoice copy must indicate the equipment type, make, and model numbers and the date of purchase.

Application: This Application must be filled out completely, truthfully and accurately. The Customer and **Contractor** must each sign and submit the completed Application along with the invoice and a copy of a recent electric utility bill.

Payment: Please allow up to 90 days for **payment**. Payment processing may take longer if information is missing on the Application. Please call EFI at 1-877-364-4217 if you have any questions about the status of your rebate incentive.

Approval and Verification: CL&P and UI reserve the right to verify sales transaction and to have reasonable access to **your** residence to inspect the system installed under this Program, prior to issuing incentives, for up to one year after date of application.

Tax Liability: CL&P and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the **payment** of rebate incentives.

Endorsement: CL&P and UI do not **endorse** any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this program.

Limitation of Liability: CL&P and UI's liability is limited to paying the rebate incentive specified. CL&P and UI **are** not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this program.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed on page 3 of this Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

Warranties: CL&P AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. CL&P and UI make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the equipment or services provided by a manufacturer, contractor or vendor. Contact your Contractor for details regarding equipment performance and warranties.

ISO-NE Capacity Payments: By signing this document and as a condition to receiving a rebate pursuant to this program, customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to customer's participation in the Residential ENERGY STAR® Ductless Split Heat Pump Incentive Program. Customer hereby assigns to either CL&P or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either CL&P or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

Class III Credits: In accordance with the Department of Public Utility Control's ("DPUCs") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, Customer is not eligible to receive or retain any Class III conservation credits in connection with the Residential ENERGY STAR® Ductless Split Heat Pump Incentive Program and Customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund. In the event that the DPUC amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable DPUC decision) on the date that the Customer submitted its rebate application documents to either CL&P or UI (as the case may be).

Minimum Efficiency Levels / Incentive Schedule	
Minimum Efficiency for Incentive	Incentive Per Unit
AHRI Rated Ductless Split Heat Pump	
14.5 SEER / 12 EER / 10 HSPF	\$1000/Account
14.5 SEER / 12 EER / 8.2 HSPF	\$500/Account
